

- Three months China, Hong Kong or Taiwan PhD Scholarships 2022 -

The CEFC will award two scholarships for doctoral students, for a period of 3 months renewable once, for field research or thesis writing in China, Hong Kong or Taiwan (beginning of the research stay: August 2022). The scholarship comprises a monthly stipend of 1200 Euros.

At the end of the first three months, the scholarships may be renewed for three additional months, after presentation of the activities by the beneficiaries and validation by the scientific committee.
